this book deals with the doctrine of separation that we in the whole of scripture can read about and since it is scripture that commands us to separate and since we today have such disdain toward scripture it deals very much with scripture itself scripture does self attest itself it self authenticate itself and through its history it has been seen as god s perfect word inerrant and infallible all of this is today attacked by the world but also by christendom nothing is more important than our view of scripture and few things are more important in the life of the christian than to separate himself from the world and unto the lord this is an important book for every christian it deals with scripture and obedience so many today in christendom say that scripture contains words from both god and man this lie is one of the most pernicious that exists within christendom and this is repudiated in this book it calls for the christian to separate himself from the world from error from false christians and to separate himself unto the lord to be obedient to what god has revealed in scripture which is god s perfect word given to man
